Summary of Plan

BASW students' competency achievements were evaluated using two instruments. Instrument 1 consisted of signature assignments completed in the BASW core courses during the Spring 2026 semester. Instrument 2 comprised competency ratings provided by practicum instructors at the end of the Spring 2026 semester.

As shown in Table 1, it was expected that 85% of the BASW students in the Spring 2026 (N=639) semester would meet the benchmark established for the expected level of achievement on each instrument.
