CSU California Unmanned Aerial Systems Competition

June 4-6, 2027

Liability Waiver

Cal State LA is migrating to an on-line Liability Waiver process. We ask all participants (team members and spectators) to use the following link and complete the form as part of their registration. We appreciate your time and thank you for completing the new process.

⚠️ **Important Instructions:**

- Do **not** edit or change any of the prefilled fields (event name, date, location, or department information). These details are locked for accuracy.
- Use the link or QR code.
- Each participant must complete the waiver individually using their own device.
