IS EDUCATIONAL LEADERSHIP YOUR GOAL?

Apply Now-Fall 2027
FULLY ONLINE-1 YEAR PROGRAM
Masters of Educational Administration
and
Preliminary Administrative Service Credential (PASC)

Shape the future of schools, inspire teachers, and transform student success, all while advancing your own career. The Master's in Educational Administration along with a Preliminary Administrative Services Credential (PASC) at Cal State LA prepares passionate educators to step confidently into leadership roles in California's K-12 schools.

PROGRAM HIGHLIGHTS

Entirely Online - Designed for working educators
Accelerated 1-Year Completion - Earn your Master's degree and PASC in just 12 months
Integrated Coursework & Credential Preparation - Streamlined pathway toward becoming a school administrator
Cohort Model - Learn alongside a supportive group of peers and build lifelong professional networks
Equity-Driven Leadership - Courses emphasize culturally responsive leadership and social justice in education
Expert Faculty - Learn from experienced K-12 leaders and educational leadership scholars
Practical, Hands-On Learning - Apply your coursework directly to real challenges in your school or district
