Human Resource Management Option

Important Prerequisite Classes

Take MGMT 3070 in your 4th semester if at all possible then take MGMT 4400 your 5th semester

Don't wait to start your option classes

Begin your required and elective option classes as soon as pre-requisites are met and work them in with your business core (this contradicts the catalog which lists MGMT courses last in the list of core courses)

This roadmap assumes that students received GE certification at their transfer institution.
