Dear CSU Family,

Please join us for this year's Graduation Initiative 2025 Convening to be held virtually on **Friday, October 22, 2021, from 11:00 a.m. to noon (PDT).** This annual gathering is a unique opportunity for the CSU community to celebrate our collective efforts to support student success.

Despite the challenges we have faced in the last year and a half, the CSU spirit has remained steadfast and committed to the needs of our students and ensuring their success. No matter the campus role – whether as a faculty, staff or administrator – you have all taken steps to find creative and innovative ways to support and care for our students.

We invite you to be with us at this celebration – and we encourage you to share this invitation with your campus colleagues. The convening will feature students, faculty and staff sharing inspirational stories of how their daily work promotes equity on their campuses. I will also share the most recent data tracking progress toward meeting our ambitious Graduation Initiative 2025 goals.
