# Rules Reminder for Law and Society Minors

## *Minor Program Completion Deadline*

Students must complete the Minor Program before or at the same time as other graduation requirements. State law prevents students from enrolling in courses for Minor Program credit if they have fulfilled all other graduation requirements.

## *About Upper Division GE*

A Sociology course taken for Upper Division GE may also count toward a Sociology Minor.

## *About Minor Program Credit from Outside the Cal State L.A. Sociology Department*

Sociology transfer credits for SOC 2010 are subject to approval by the Sociology Department. Course substitutions for the 4 Law and Society Electives are subject to approval by the Law and Society Adviser. Students must take SOC 4880 at Cal State L.A. (no course substitutions).

## *About Filing for Graduation*

Before filing for graduation with their Major Department, Law and Society Minors must:

- get the Sociology Stamp in the upper right hand corner of the graduation application;
- write "Law and Society" into the blank for "Minor" on the central part of the application; and
- obtain an appropriately completed Minor Program sheet with the required Sociology signatures; no "blanks" are allowed. Planned courses should be listed if they are needed to complete the Minor Program.

The Major Department submits all paperwork to the graduation office.

If a "planned" course that is on the filed Minor Program form (but that is not listed as a Law and Society Elective in the *University Catalog* and on the Law and Society Minor Program form) changes, students must complete a "Course Substitution" form at the Sociology Department Office and obtain the Law and Society Adviser's approval and signature on the Minor Program form so that the revised Minor Program may be sent to the Graduation Office.

## *About Dropping Courses*

Students choosing not to take Sociology courses they registered for must complete official drop procedures whether or not they ever attended the class. (This is the procedure with all CSULA courses that students wish to drop.) Be sure to attend to deadlines because failure to do so results in a "WU," which is equivalent to an "F" that is included in the GPA. Students continue to follow standard CSULA procedures and deadlines. The steps are that students must obtain:

- the correct drop slip and complete all sections as directed,
- the course professor's signature first (drop forms may be left in his or her box for signature), and
- the Department Chair's signature second.

## *About Incompletes*

Students unable to complete a Sociology course must:

- comply with the terms of the required ***Incomplete Grade Agreement Form*** that the professor submits and
- complete the course within one calendar year and follow standard CSULA procedures and deadlines. Students do not (and cannot be required to) re-enroll in the course they did not complete if they receive an "incomplete" grade.
