Personal commentary:

- I have played tournament bridge since I was a graduate student, with my most notable achievement at the national level being a second-place finish in the 1982 Reisinger

Board-A-Match Teams event. I have published many articles in bridge magazines (http://www.davidjweiss.com/BridgeArticles.htm) and a book (http://www.davidjweiss.com/DefenseatTrickOne.htm).

- My life-long mediocre tennis play has not been improved by cataract surgery, but now I have a good excuse for missing the ball.
