Some SOC courses fulfill UNIV., GE, & Major REQUIREMENTS

Some SOC courses, such as **SOC 2010** and **SOC 3480**, simultaneously fulfill University, GE and Major requirements! Although such courses fulfill multiple requirements, please note that their units only count once.

On the left side of page 1, all University and GE Requirements are listed. Of these, specific SOC courses can fulfill the following:

- University Requirements
  - Civic Learning requirements (cl)
  - Diversity requirements based on general diversity (d)
  - Diversity requirements based on race/ethnicity (re)
  - Writing intensive (wi) & Graduate Writing Assessment Requirements (GWAR)
- GE Requirements
  - Lower division (LD) GE Area Studies 2, 4, and 6
  - Upper division (UD) GE Breadth Area 4

In the table below, SOC courses that meet a University Requirement have an X in the relevant column for (cl), (d), (re), or (wi) & (GWAR); SOC courses that meet a LD GE Area Studies or an UD GE Breadth Area have an appropriate number in the column for GE Area Number. To fulfill some requirements, a minimum grade is needed.

SOC courses that don't fulfill a University, GE, and/or Major requirement, may be used as "free electives" needed to reach the 120 minimum units needed to graduate.
