Senior Administrator DFW Data

The Senior Administrator DFW Data dashboard provides an interactive interface to compare performance metrics by course or instructor views, narrowed down by term or course characteristics.

Begin by logging in using your campus ID

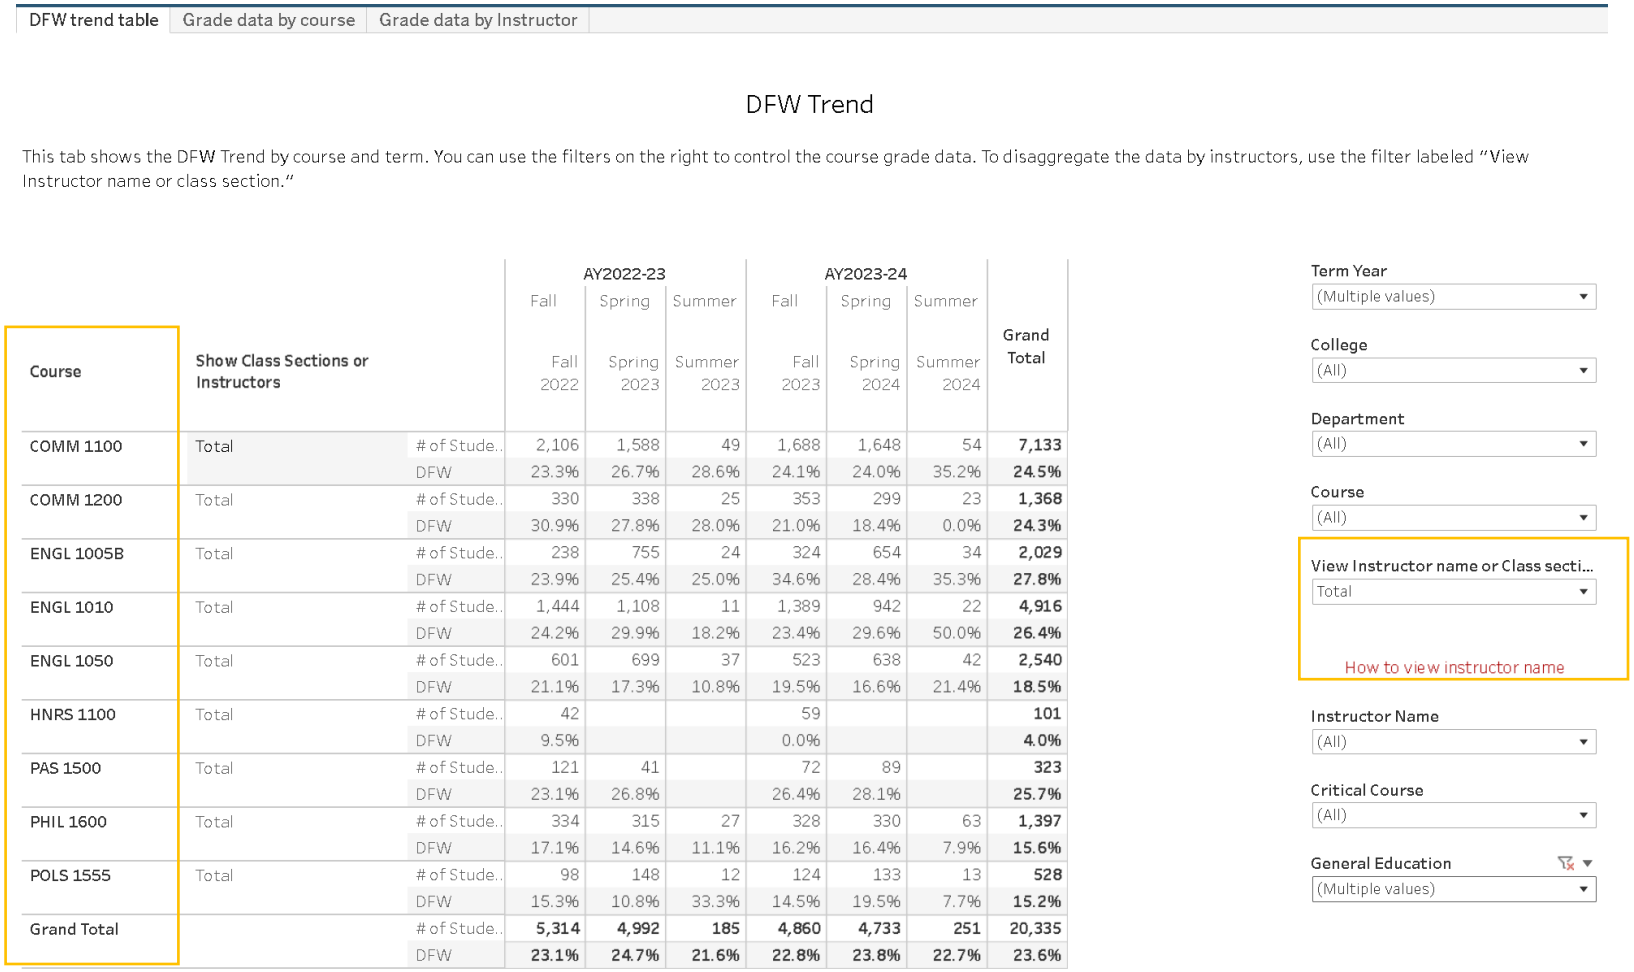

Senior Administrator DFW Data

Please contact Institutional Effectiveness (IE@calstatela.edu) to receive granted access to this dashboard if you are a first-time user.

Please note there are multiple tabs in this dashboard:

- DFW Trend Table
- Grade Data by Course
- Grade Data by Instructor

DFW Trend

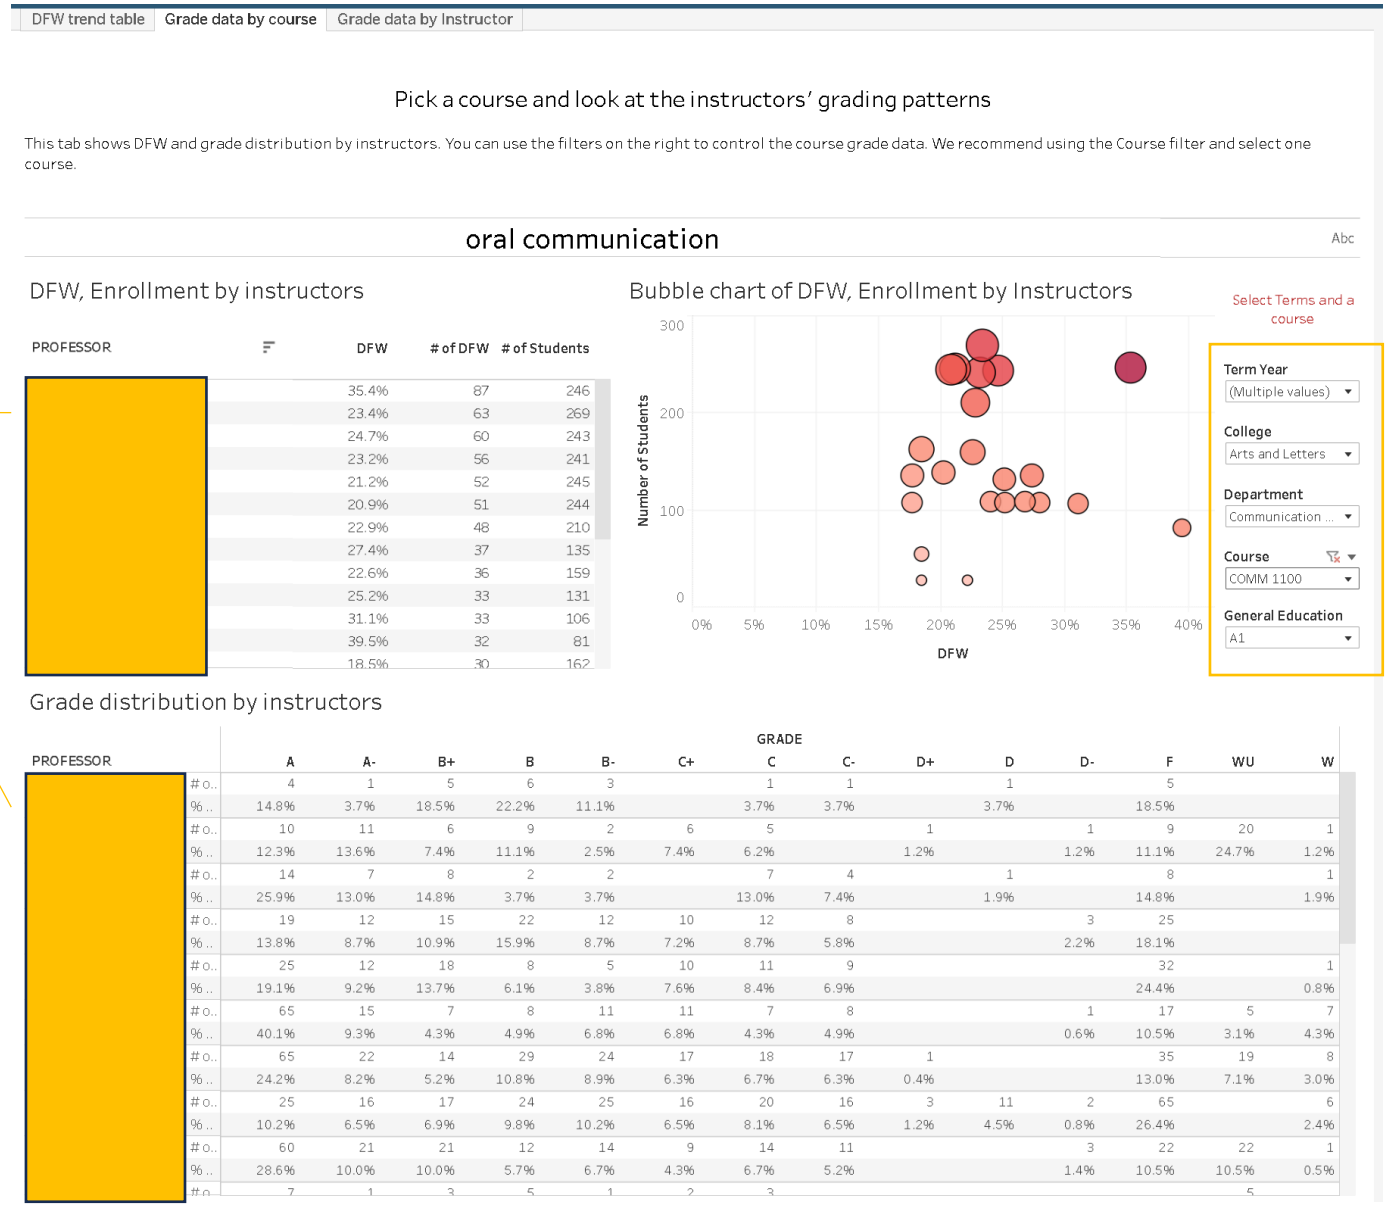

Compare DFW rates by courses listed here.
