The Executive Committee of the Association, which consists of the officers, committee chairs, and six at-large members, is the governing body of the Association. In addition, the Executive Committee selects two members to serve as representatives on the University Academic Senate and three members to serve on the State Council of the CSU Emeritus and Retired Faculty and Staff Association, a nonprofit corporation devoted exclusively to addressing the concerns and protecting the rights of all retired CSU faculty and staff.

Get Involved: Here are opportunities to get involved, as an officer, an at-large member, a committee chair, or as a member of one of the standing committees. Two committees which frequently need additional members and/or help with their activities are the Emeriti Fellowship Awards Committee, and the Programs and Publicity Committee.
