SPRING: Emeritus Status Requests	Review Level	Review Begins	Review Deadline
Note: Emeritus Status Granted for Fall 2027	Department committees review emertius applications	2/16/27	3/15/27
	Deans review	3/16/27	4/9/27
	Faculty Affairs review	4/12/27	4/23/27
	Provost review	4/26/27	5/7/27
	President reviews and issues letters		5/21/27

Please Note: Emeritus status requests are reviewed during two application cycles each academic year. The application deadlines above establish the review cycle in which an application will be considered; they do not alter the University's eligibility requirements. It is highly recommended that a faculty member initiate the procedure for consideration of Emeritus status within two years following the effective date of retirement or resignation. For faculty participating in FERP, the effective retirement date is the date prior to entering FERP status.
