GE Upper Division Course	GE Upper Division Course from Block D	3

Students must follow the pre-nursing roadmap and complete all required courses in the first year. Exceptions may be made for significant hardships, but students must submit an appeal to PACSON (see appeal process on PACSON website).

All Pre-Nursing students must apply to Nursing program in the first Spring semester. Those not admitted must choose a different major.

*Courses are required prerequisites/corequisites for BSN program (math category 3 students must complete MATH 1090 with a lab. CHEM 1010 and BIOL 2030 are restricted courses for this category. Contact your advisor for more information)

**MICRO 2010 is a 3-unit lecture course and MICRO 2020 is the 1-unit lab component for a total of 4 units

***Effective Fall 2021, students are required to take the GE Area F: Ethnic Studies course as part of the General Education Program. Please meet with your academic advisor for more information.

****Courses are required within the Nursing major (NOTE: NTRS 2500 will also meet the Nutrition requirement. If NTRS 3510 is not taken to meet the Nutrition requirement, choose another UD Bock B course)

Parentheses ( ) indicate General Education areas and requirements

- Civic Learning/Community Engagelemt Requirement (6 semester units). One (cl) course must be completed at the upper division general education level.
- Diversity Requirement (6 semester units). Students must complete one race/ethnicity (re) course and one diversity (d) course or another race/ethnicity (re) course.
- Writing Intensive Requirement (6 semester units). Students must complete two writing intensive (wi) courese, with at least one in their major.

revised 5-2025
