# International Graduate Admission Application Process at a Glance

1. Submit your application through **Cal State Apply** (and upload your unofficial transcripts) *($70 application fee).*

2. Check to see if a **supplemental program application** is required for your department of interest - *if yes, submit it by the deadline.*

3. Send your official non-U.S. Academic Records to one of these **Foreign Credential Evaluation Agencies**:
   - International Evaluation Research Foundation (IERF)
   - World Education Services (WES)

4. Send your official U.S. transcripts to **Cal State LA – Admissions Office**.

5. If applicable, send your official TOEFL, IELTS, PTE or DuoLingo (DET) Score Report to **Cal State LA – Admissions Office**.

6. Login to your GET account and check your "To Do" List for missing documents. *We will email you how to access GET within a week of Cal State Apply application submission.*

7. Your **COMPLETE** admission application will be reviewed (by both your department and the Office of Admissions and Recruitment).

8. Regularly check your email and respond promptly to requests.

9. You will receive your admission decision via **EMAIL**. If offered admission, follow the NEXT STEPS instructions in your email to obtain your I-20 from the International Office.

Remember!

Upload your unofficial transcripts in Cal State Apply

and

Check if a separate supplemental program application is required for your program.
