Student Enrollment and FTES

- *Definition of FTES: Class-Based vs. Student-Based*

FTES* : *Full-time Equivalent Student

1 FTES = 15 units for UG/PB students
= 12 units for MS/Doctoral students.

Class-Based FTES :

FTES generated in classes offered by College/Department of the Class Section

Student-Based :

FTES generated by students who declared major in the Department/College

Student Enrollment and FTES

- *Class-Based **FTES** Example*

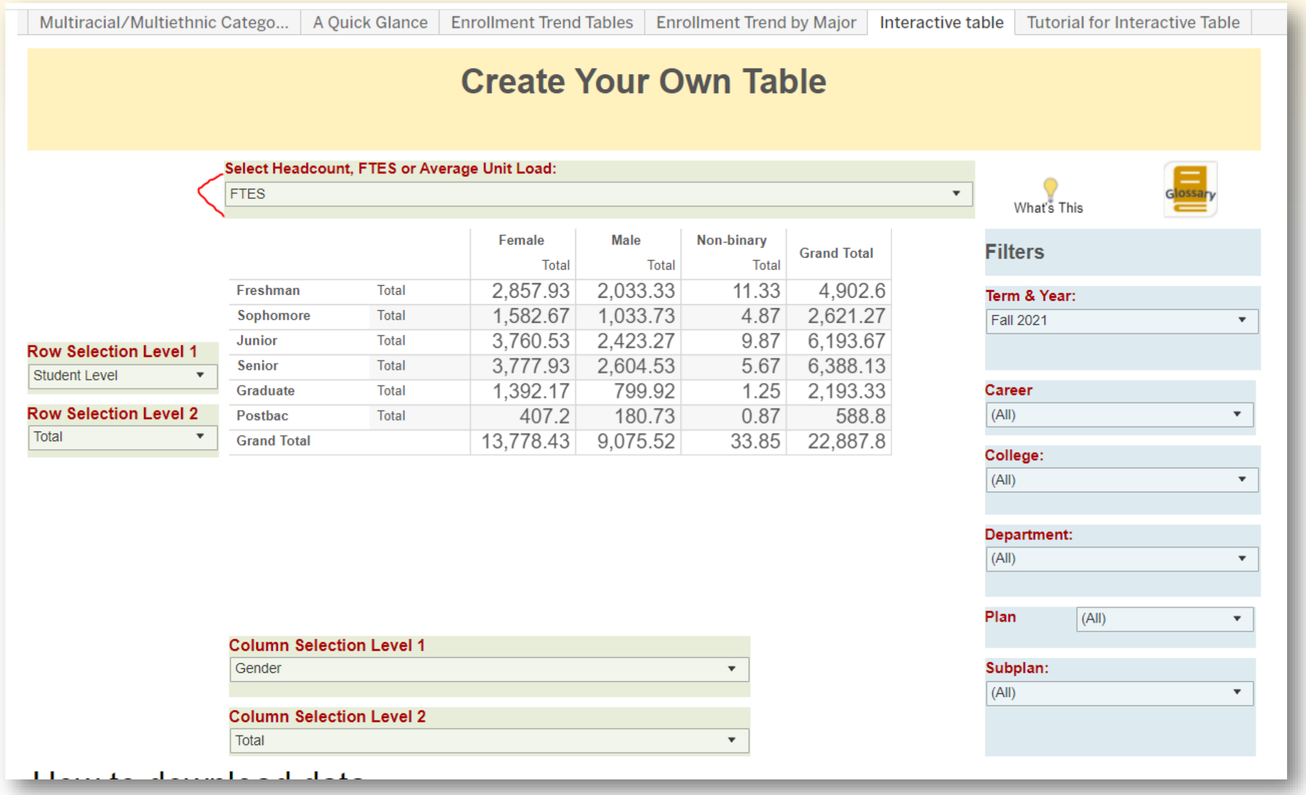

- Example #1: BIOL1010-2 (3 units course) – 20 UG students
- Example #2: ENGL2070-5 (3 units course) – 19 UG students, 1 Post-Bac Cred
- Example #3: MATH2120-1 (4 units course) – 15 UG students, 3 master's student

• *Student-Based **FTES** Example*

- Example #1: FTES generated in fall 2020 by students with HHS major?
  - (7,663 FTES) : *Please see next slide*
