COURSES WITH HIGH DFW RATES

Courses with high DFW contribute to high course repeat rates. Enrollment in these courses fill up quickly as the number of students repeating courses overlap with new student enrollments, impacting course availability.

- Using the BUS example, compare what was scheduled versus actual enrollment numbers

	Courses	BUS Core	#needing/semester	Fall 18 enrollment
LD REQD	ACCT 2100	1/4 of (1114) LD majors	279	401
	ACCT 2110	1/4 of LD majors	279	287
	ECON 2010	1/4 of LD majors	279	377
	ECON 2020	1/4 of LD majors	279	265
	FIN 2050	1/4 of LD majors	279	242
Total			**1395**	**1572**
UD REQD	BUS 3050	1/4 of (2819) UD majors	705	783
	BUS 4150	1/4 of UD majors	705	469
	CIS 3010	1/4 of UD majors	705	648
	ECON 3060	1/4 of UD majors	705	600
	FIN 3030	1/4 of UD majors	705	675
	MGMT 3060	1/4 of UD majors	705	611
	MGMT 3070	1/4 of UD majors	705	598
	MGMT 3080	1/4 of UD majors	705	524
	BUS 4970	1/4 of UD majors	705	429
	MKT 3100	1/4 of UD majors	705	590
Total			**7050**	**5927**

In order to determine the cause for the spike in enrollment, check the DFW rates using the Dashboard. The sample graph below shows the DFW rates for courses in the BUS major, which confirm high DFW rates for ACCT 2100, ACCT 2110, and ECON 2010.
